WILES PROPERTY 25.17 ACRES

This rural tract is located in the northwest part of Stone County, Mississippi, approximately 5.5 miles northwest of Wiggins, the county seat of Stone County. The property lies approximately 200 feet south of New Hope Road, a county blacktop road. The tract has access via a gravel road and is bordered on the north and west boundary lines by a gravel/dirt road.

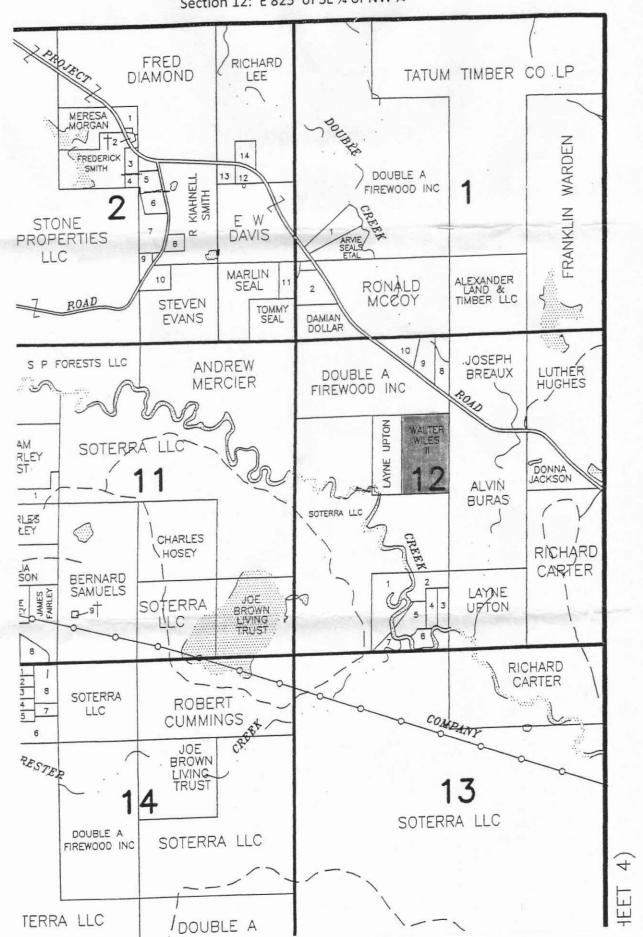

The land is flat. It has a stand of young to medium sized hardwood trees and some pine trees that are randomly dispersed throughout the entire tract. In our opinion the easy access and central location make it a good choice for a host of outdoor recreational uses.
